**The Deets. Why is this unique board game camp experience so awesome?**

We are an annual fun-for-the-whole-family tabletop board game convention and geek adventure camp located in the very heart of the Finger Lakes in Upstate NY. In addition to tabletop games, LARP, and RPG's, there will be other engaging activities, including collaboration with board game designers, educational workshops, attendee-led events, and board game playtesting. This event also includes primitive woodcraft, axe throwing, climbing wall, finger lakes nature trails, wading creek, archery, miniature painting, leatherworking, disc golf, pickleball, corn hole, GaGa ball, giant lego construction zone, sporting events, movie nights, and more.

We are thankful to have a unique blend of vendors and interactive displays, such as board game designers, pottery making, wood working, hand-made jewelry, and thematic vendors. There are also optional amenities such as camping, cabin retreat centers, meals, and even on-site hotel rooms! This creative event will be tons of fun for the whole family this summer!

Thank you for your consideration,

Ken & Jen Yentzer and family
