RE: Partnership Opportunity – Play-and-Win, Swag Bags, Raffle, and Event-Wide Visibility

To whom it may concern:

Would you consider partnering with Great Escape on the Lakes 2026 through:

- **Play-and-Win Board Games** and new titles for our Board Game Library
- **A 1-hour consulting session, mentorship, or prizes** for our first annual Tabletop Game Design Contest
- **Swag bag items, giveaways, and raffles**
- **Prize support** for our Miniature Painting Contest and LARP Tournament
- **Event lanyards** and badge holders
- **Workshop materials** and creative supplies

NEW FOR 2026: GEOTL will host an **annual Tabletop Game Design Contest** that encourages and connects aspiring creators with industry professionals through mentorship, collaboration, and consulting opportunities.

Great Escape on the Lakes (GEOTL) is an annual board game convention and geek adventure camp that has welcomed **250+ attendees annually** over the past two years and continues to grow with expanded outreach and a significantly larger venue for 2026.

It is now entering its **sixth year as an active event** and is hosted by Great Escape Adventures, which has served the tabletop gaming community for over **11 years** through four community-focused locations in the Finger Lakes region of Upstate New York, in partnership with the Community Board Game Network (CBGN), a **New York nonprofit corporation** whose **IRS 501(c)(3) application is currently pending**.

GEOTL is a fun-for-the-whole-family event featuring tabletop games, LARP, RPGs, workshops, attendee-led events, playtesting, collaboration with board game designers, and other creative activities.

Attendees spend multiple days learning, playing, teaching, sharing, and discussing board games alongside immersive RPG and LARP experiences within a **deeply interactive tabletop environment**.

Most importantly, products are not simply seen — they are played, shared, discussed, and remembered.

Partners receive convention booklet advertising, website and social media recognition, product placement throughout the event, and direct engagement with an active tabletop audience.

Thank you sincerely for your consideration and support of the tabletop gaming community. We would love the opportunity to partner with you for GEOTL 2026.

Warm regards,

Ken & Jen Yentzer and family
