Great Escape on the Lakes 2026

Greetings adventurer! Thank you for your interest in the first-ever Great Escape on the Lakes talent show! The show will take place **Friday, August 21 at 7:30 p.m.**

To ensure the best possible experience, please observe the following guidelines:

Theming: The theme of this event is medieval fantasy, so please don't use obviously modern elements in your performance. For example, no electric instruments or obviously modern-day lyrics. Amplification/microphones are the exception to this rule and may be used.

Attire: Dressing to fit the theme is encouraged but not required. If you don't have an outfit or costume, we have a large selection of garb we can loan you!

Content: Please avoid religion and politics, and keep it family-friendly! Performances may be up to 15 minutes long and can be anything, not just music.

Please provide the following information, along with a link to an audition video:
